Lexy gets her little blonde bush filled with meat.

Lexy's Mini Bush

Dear Virgin Territory,

I enjoyed Lexy's XXX layout. It's nice to see a girl with some pubes, especially blonde ones, which are somewhat rare. It would be nice to see her with a full bush, but in this day and age of bald vaginas, I'll take what I can get. My favorites are full, fluffy blonde and red bushes that stick out at least an inch from the mons pubis. I appreciate all variety of penetration shots you got of Lexy. We got to see her get fucked in many different ways, and in each shot we could see the action very clearly. That's what makes this one of your more exciting XXX layouts. We got to see Lexy licks balls, 69, ride like a cowgirl and even get the piledriver. And thank you for the full-page cum shot with her looking directly up at us, cum dripping off her cheeks and down her tits–the way a cum shot should be.–K.W., Bakersfield, California

Dear K.W.,

If you'd like to see some bushy babes, check out Satine from the July '15 issue. You can get the digital version online at eboobstore.com.

While we do publish plenty of spread pussy shots, we also include tame glamour shots, like the one of lovely Melissa here.

And although not as bushy as Satine, Chloe from June '16, Dec. '16 and Feb. '17 also has a bit of a blonde bush.

Keep It Classy

Dear Virgin Territory,

I might be in the minority here, but I am not particularly a fan of the close-up pussy shots. Spread shots are okay, but what I really prefer are old school glamour-type shots. Classy and tasteful. I don't care much to feel like I'm in a gyno appointment with the girl. A little open leg would do, but we don't need to see her spread as far as she can go. The female form is beautiful, and I enjoy admiring the curves of a girl in natural poses. Full-body shots are always appreciated. Other than the extreme, raunchy close-ups, I enjoy your selection of fine teen girls.–P.T., Cedar Rapids, Iowa

Dear P.T.,

We try to include a variety of close-up pussy shots and classier close-leg glamour shots to please the varied tastes of 18eighteen *readers.*

Lizzy Keeps It Real

Dear Virgin Territory,

Lizzy is one fine teen, and it was great to see her dicked down by that huge cock in the Aug. '17 issue. What I liked about her layout is that it didn't look perfectly posed. She wasn't smiling perfectly and looking directly at the camera. She's moaning, her eyes are closed and she really looks like she was getting the fuck of her life. It seemed very real and seeing her enjoy that cock so much really turns me on. I also liked that we could see a little bit of her pussy cream coating his shaft.

The look on Lizzy's face says it all. She loves that big dick.

Basically, the more real your photos seem versus posed, the better. And I absolutely loved the raunchy, messy cum shot. The look on her face is priceless. This is one of the hottest hardcore sets you've featured. Because of this layout, I ordered *Fuckin' Nerds 2* just so I can see Lizzy's scene. Can't wait till it gets here.–F.Z., Fort Wayne, Indiana

Dear F.Z.,

If you think Lizzy's hardcore layout is hot, wait till you see her scene. It's even more intense! Please let us know what you think of it.

This was Clarise's first shoot, and hopefully it won't be her last.

Cumming to Clarise

Dear Virgin Territory,

Clarise is absolutely stunning. She is one the prettiest girls you've featured in a long time. I hope she decides to stay in porn for a while, as I would like to see more of her. I love her beautiful blue eyes and smooth, pale skin. She gets extra points for not having any tattoos. Her small, perky tits and pink nipples are perfect, as is that tight tummy and waist. Then we move down to that lovely peach of an ass. So round and juicy. And her pussy is absolutely delicious looking. So smooth and nice. This girl is truly stunning. I've already jacked to her photos three times. I hope you'll bring her back for more. She's a prime candidate for some lezzie action and a hardcore layout with a big, giant cock. I'd love to see that pretty face of hers covered in jizz, looking up at me and smiling.–A.A., Galesburg, Illinois

Dear A.A.,

Clarise is very new to modeling and hasn't taken the hardcore plunge yet. However if she decides to we will definitely shoot her.

Megan needs a place to sit down. Is your face available?

Megan's Yummy Holes

Dear Virgin Territory,

Megan from the Aug. '17 issue is a fucking winner if I've ever seen one. You can't top that pretty face with braces and the natural blonde hair. I was smitten the second I saw her on the cover, which was also great, by the way. She's looking over her shoulder so coyly, with that long, pretty hair falling down her back and her bare bum exposed. I couldn't wait to get to her pictorial to see the rest, and I definitely wasn't disappointed. On page 41 we're treated to the X-rated version of her cover photo, this time with her pootiehole and pussy showing while she's on all fours, as if she's getting ready to take it from behind. This is a girl who was made for hardcore. I long to see her pink, smooth pussy filled up with cock and that pretty braceface smile covered in cum. That little finger in her pussy on page 43 isn't enough for her. She needs her cherry popped by a big, fat cock that can reach deep inside and make her feel something she's never felt before. She may not be ready for anal for a while, but that tight, perfect, little pootiehole of hers is definitely ready for a licking and maybe a gentle finger or two. If Megan ever needs a face to sit on, mine is always available for this sweet little teen.–R.E., Littleton, New Hampshire

Dear R.E.,

Megan is still deciding whether or not she wants to do hardcore, but in the meantime you can check out her solo masturbation video online at 18eighteen.com.

Nothin' Like a Pair of Perky Teen Tits

Dear Virgin Territory,

I like skinny teen girls who have perky, full B- and C-cup tits. And for that reason I agree with you that Cece has an amazing rack. I could probably cum just from fondling her tits. I had noticed her and her incredible rack when she appeared in solo in the April '16 issue, but I figured maybe she never did hardcore. It was a pleasant surprise to see her suck and fuck in the Aug. '17 issue. I enjoyed the blow job pic on page 48, especially since her tits looked so nice and cuppable. The tanlines are a nice touch as well. I would have liked to see the guy cum on her tits instead of her face, though. In this issue I also liked Hailey's perky tits. You should do a perky tit special and feature your best B- and C-cup babes. Anyway, keep up the good work.–L., via email

Even if you like flatties, you have to admit that Cece has a great rack.

Hailey has three brown eyes. We like the one between her buttcheeks!

Dear L.,

A perky teen tits special sounds like a great idea. Thanks for the input!

Brown-Eye Beauty

Dear Virgin Territory,

Hailey is a real cutie. She looks like an innocent girl-next-door, but she's really a horny teen tart who likes to show off her cunny! I liked seeing her in all the stretchy poses. It reminded me of P.E. class when they would make us warm up, and I would check out the girls stretching to see if I could get a peek of their panties. I don't have to sneak any peeks here. Hailey shows us everything, from her panties to her boobies to her delicious cunny and butthole. She's gorgeous from head to toe, and her body is perfect. But what really won me over was that sweet, puckered butthole of hers. The photo of her bent-over on page 81 was almost too much for me too handle. I could just imagine licking her butthole as she spreads her buttcheeks for me and tasting her essence. I'd rim her really good right before sliding my cock into her vice-tight cunny and feeling how tight she is. I'm a

marathon man, if you know what I mean, and would go all night for Hailey. Especially if she lets me sample her butthole coated in her pussy juices throughout the night.

I can't wait to see Hailey in hardcore. I want to see her in action and hear her as she takes a big cock in her cunny. I want to see what she looks like when she cums. If you could get her in some stretchy poses while she fucks that would be great. I would love to see her do a split on a cock. Whenever you get flexible girls, please get them doing splits! Us guys love to see that and let our dirty imaginations run wild with the possibilities. I have a feeling that Hailey is going to be one hell of a sex kitten, and I can't wait to see the proof of it on video. Great job shooting this foxy teen!–B.N., Butte, Montana

Dear B.N.,

Hailey has a XXX layout in this issue on page 36 (International versions only), but you can see her fuck videos at 18eighteen.com. And you're right; she's a total sex kitten who moans and shakes and quivers when she cums.

Ivy League

Dear Virgin Territory,

All these little schoolgirls are killing me, and I mean that in the best way possible. Every issue has another schoolgirl or two to fuel my horny jack sessions. In the Aug. '17 issue, my favorite one was Ivy. It doesn't get any better than a flattie schoolgirl. I've gotta admit, I love seeing these girls in their uniforms as much as out of them! We were treated to plenty of shots of Ivy in her uniform and lots of panty shots, which was also a treat. Next time show her with lots of spread pussy and butthole shots. I love her pale, porcelain skin and her long, black hair. She's like a little fuckdoll for my big, hard cock. I only wish that you could show Ivy peeing in the magazine. I sure would have squirted if I saw her squirt pee into that toilet! Can't wait to see her getting fucked in your fine magazine, and please keep bringing us all these hot schoolgirls. Especially flat, skinny ones with shaved pussies and tight buttholes!–J.R., Norfolk, Virginia

Dear J.R.,

If you love schoolgirls, you should check out the special issue Naughty Schoolgirls *by* Naughty Neighbors *magazine. You can order the issue on page 11. And don't worry; you'll be seeing Ivy fuck soon!* 18

Jizzed Teens 4

SMOOTH CHESTS, FROSTED FACES

Some girls like to swallow, and some like to spit. But these babes want hot cum sprayed all over their faces. Nothing makes them feel more sexy than a guy marking them as his territory by splooging on their pretty, young faces. It's their reward for being good little cock-suckers and fuckers. They may be inexperienced, but these teens choke cock down their throats as deep as they can. They squeeze it with their already vice-tight pussies. They give it their all because the bigger the load, the bigger their satisfaction. Plus, there's something so naughty about getting a facial. Girls like Blaire like to be naughty. That's why she screws her guy on her parents' bed. Then she soaks the sheets with her sex juices and gets her face glazed with cum.

After fucking in a variety of positions the guy leaves a trail of gooey cum on her face. Lucie gets the handyman to fix her pussy, then she jacks his tool till he spurts on her cheeks.

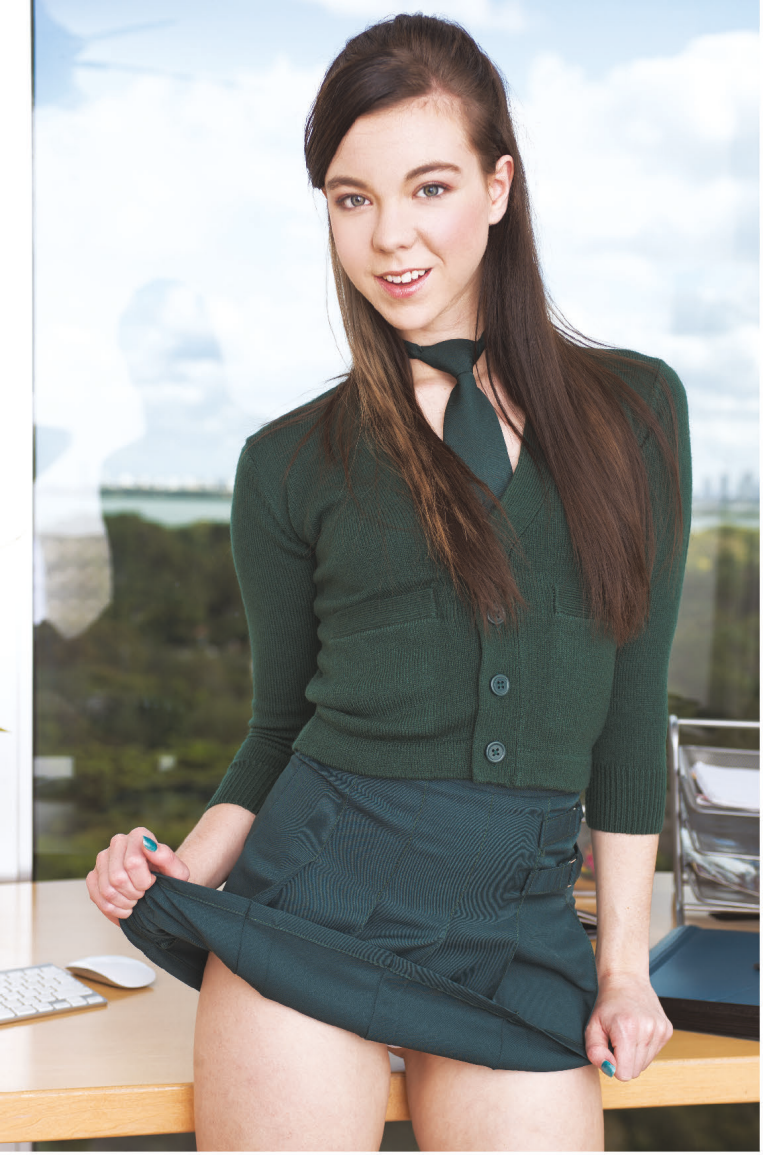

Bunnie wants the Spanish exchange student's chorizo. It's a thick one, but she handles it like a champ, riding it and taking it deep. In the end, she's happy to take his salty seed all over her tongue and face. Hailey plays a game of pool that ends with her getting dicked down by a big dick. You can tell that she genuinely loves to get pounded and sprayed. See the full hardcore layout on page 36! Ariel catches a guy watching porn, and it turns her on. CUMMING
ON THE SLY

Bunnie's got a secret, and she doesn't want her dad to find out.

That's because she has a crush on his friend and coworker, who's a much older man. He turns her on so much that she sneaks into his office, takes off all her clothes and rubs her pussy right on his desk. "Working in my dad's business is boring for the most part, but there are a few cute guys there, most of them older and married. Staring at their packages and daydreaming about fucking them in their offices makes the day go by faster. I even masturbated on the manager's desk."

Bunnie is the epitome of a naughty schoolgirl, and she likes it.

Bunnie runs her hands up and down her body, making her way down to her juicy pussy. She gets on all fours and sticks her ass in the air, spreading her twat lips and showing off her tight asshole. "The idea of a young girl exploring herself turns you on, doesn't it?" she asks. Why yes, it does. Bunnie works two fingers into her slit, building up the speed till we hear the squish-squish noise as she finger-bangs herself. See the hot action for yourself in her video on *18eighteen.com*.

Tell us about how you masturbated in this guy's office.

"I got naked, sat in his chair and on his desk and rubbed my pussy. I came while looking at the picture of him and his wife, imagining what it would be like to fuck him, or hell, even the both of them. She's hot, and I wouldn't mind a three-way. When I was done, I licked my juices off my fingers and pretended that I was licking them off his cock. I finished up and snuck out just as he was getting back to the office. I always wondered if he noticed the smell of pussy in there."

Getting Serviced

By Joe Monks

The dryer was shot. Jay knew it, and he was pretty sure the woman who'd called him knew it, too. There were half-dried garments hanging from every spot in the laundry room. The look on her face was one he'd seen many times. She was hoping for a miracle. Well, not she, they. Her teenage daughter seemed pretty desperate to get the dryer working again, too. From the looks of it, because she was running out of clothes.

"I can probably buy you some time," he told her. "But it won't last long."

"Perfect!" the woman cried, eyeing the roomful of soggy tops and bottoms. "Even if it's only a couple of days, that'll get us by."

The kid's face lit up. Jay assumed she had a pressing need for one of the items on display. Maybe the hip huggers. Or maybe the yoga pants. Then again, maybe it was one of the pairs of cotton panties balled up on top of the washer. He couldn't help but notice them when he arrived. They looked to be about her size. She was pretty curvy for a high school girl. Something else he'd noticed. Kind of hard not to, her standing there in a pair of shorts that had probably been bought for the previous school year, a t-shirt that clung to her boobs like she'd gone swimming in it. Jay guessed it wasn't socks she was anxious for, despite being barefoot.

"Okay," he told the 18-year-old hottie's mom. "I'll see what I can do."

And so, back to work he went. The mom disappeared. Not that that left him by himself. Miss Hip-hugger remained, leaning on top of the washer, watching. He wasn't about to complain. It was much better scenery than he usually had. Damp bloomers in the foreground, cleavage courtesy of sports bra in the background. He found himself wishing the job were more complicated. When she shifted her weight, he could see right up her shorts. From his vantage point under the front panel of the dying machine, he could just make out the puff of her outer folds through a pair of white, cotton undies. Sweet.

"How's it going?" she asked.

"Not bad. Almost done."

She bounced on the tips of her toes, excited by the news. Or, hell, perhaps just excited. Jay wasn't new to situations like this. Somewhere in this room were panties that weren't damp just because they hadn't made it into the dryer.

A date, he thought. She's going out tonight and wants to fuck her football player boyfriend 'til his nuts go dry. One of the pairs of panties bunched up in here? They were probably his fave. Not that Jay had any objection to the ones she was wearing. Quite possibly the ones whose tang had reached his nostrils. They looked suspiciously snug where it counted. Jay was certain she was leaking into them now.

Somewhere in this room were panties that weren't damp just because they hadn't made it into the dryer.

"All righty," he announced, snapping the panel back into place. He hauled himself back to his feet. Hell–he could see right down her shirt.

Full C, he guessed. Very full. She was one well put-together 18-year-old, that was for damn sure. He tossed his gear back in the toolbox. He thought she might have caught him sneaking a peek, but if so, she didn't say anything. Didn't do anything, either. Just stayed where she was, leaning on the machine, tits practically falling out of her bra.

Fuck it, he thought, taking his time writing out the repair slip. The guy with the busted ceiling fan could wait a few more minutes.

"Here you go," he said, handing her the invoice. "Give that to your mom. Any other problems, just call."

She took it, still leaning on the washer. A nipple nearly poked out of her bra. Good thing he was holding the toolbox. He had a hard-on stiffer than his screwdriver handle. He didn't want to walk out the door, and not just because the girl looked fuck-me hot. It would not be comfortable going past her mom with the erection he was sporting.

He managed to get his feet moving and made it back to the truck. Thought about telling the guy with the busted ceiling fan he'd have to wait until tomorrow so he could go home and rub one out. If the girl did have a date, he was sure envious of her boyfriend. The teen had to be one of the finest pieces of ass in the whole school. Cute face, nice legs and great boobs. Jay would've gotten left back a grade or two if it meant getting a shot at tapping that.

He threw his tools in the back, hopped behind the wheel and fired up the truck. Too early to bail out on ceiling-fan guy, he decided, though the tent he was pitching still hadn't flagged. He'd have to wait to take care of it. Before pulling away, he glanced back at the house. Caught sight of the girl by the window. Smiling, the little tease. She waved when he started to drive, his dick straining against his zipper.

Damn, he thought. The girl had known what she was doing to him all along. Probably worked it the same way in her classes.

"Good thing I'm not a math teacher," he said, accelerating.

But he still unzipped his jeans.

There were two calls on the answering machine when he got into the shop. He put down his coffee and tapped PLAY. He recognized the voice right away. After all, he'd only been there yesterday.

"Hi, it's us again. The Marshalls? We've got another problem, was wondering if you had time to come by today to fix it. Thanks." That, and a phone number. Not a big surprise. The dryer could have lasted a month, or a load. He'd hoped it would get them through a couple of days, though. He scribbled down the number and went to the next message. Same voice spoke to him.

"Oh, and if you could be here early? That would be great. Mom's really bent out of shape. Thanks!"

Hmnnn. He looked at the schedule. No refrigerator calls. No defrosting deep freezers. Morning looked fairly easy, all things considered. He grabbed his doughnut, took a bite and headed out to the truck, visions of cameltoe dancing in his head. Of course, he couldn't count on that, but still. You always hoped for the best. It could be he'd get to the job and the teen subject of his previous evening's fantasies–several of them–could be a disaster. Wrung out from the night before. Wearing baggy sweats and her boyfriend's loose-fitting jersey. That's what he was expecting anyway, when he knocked on the Marshall's door.

"You came quick!" the girl said, beaming when she saw it was him. He wanted to fire back a retort, but had no words. She kept grinning, though, and opened the door.

"Clothes still damp?" was what he finally came up with, following her inside. Glad she had her back to him. She was wearing what had to be the shortest miniskirt he'd ever seen, and a cutoff tee shirt that barely covered her boobs. From what he could see–which was just about everything–she looked far from wrung-out. She glanced back over her shoulder. He could tell she wasn't sure if he, too, was playing, or talking about the job at hand. She shook her head.

"Nope, dryer's fine. It's the dishwasher this time."

Given what she was wearing, which wasn't much at all, he'd have been willing to bet she was out of clothes altogether.

She led him into the kitchen. The dishwasher door was open, lights on and the digital panel blinking. A dish rack on top of the counter was filled with dripping breakfast dishes. The girl pointed.

"What do you think?"

No double-entendre there, just a shrug and a clueless expression. He knelt beside the machine, tapped some buttons. Knew in thirty seconds what was wrong.

"Shouldn't be too much trouble," he told her.

The repair was nothing. Five minute fix. Ten, tops. But he didn't have to be anywhere for a while, and

HOME RUN HONEY

Flat Madison likes to go all the way.

Madison's used to hitting home base, and not just because she plays softball. "If we get to third base and your mouth is on my pussy, then we're definitely gonna fuck."

BRAT CHAT
HEIGHT: 5'6" WEIGHT: 130 lbs.
BRA SIZE: 32A BORN: April 2
LIVES: Miami, Florida

Once an athlete, always an athlete.

Madison played soccer for 12 years and also did track, swimming and tennis. Now she's using that stamina to fuck! "I would consider sex a sport. You get all hot and sweaty. And I even get competitive trying to out-fuck my partner."

How does one out-fuck their partner, Madison?

"You try to last longer than them. Someone has to tap out eventually, and since I can have lots of orgasms I usually win. Guys usually only have one orgasm, and they seem to have them pretty quick with me. They tell me it's 'cause my little pussy is tight. I like knowing that I can outlast them, but at the same time, I wouldn't mind a challenge. I'd like a guy to fuck my brains out, until I can't take it anymore and I have to tell him to stop because my legs are shaking. Maybe that's something an older guy could do for me. I've heard they last longer and are good in bed. And I've always found silver foxes attractive. I might just have to try one out."

Hailey
MAKING THE SHOT

This game of pool just got a lot more interesting.

Hailey learns how to handle a stick and maneuver balls, but it has nothing to do with the game of pool she's playing with this guy. She grabs the stick between his legs, which is getting harder by the second at the sight of her perfectly perky tits and sweet, smooth pussy. She swallows it all down till she gags and gives his balls a licking for good measure, too.

All pool games should end like this.

Still standing and with one foot up on the pool table, she slides her pussy on his dick. Then they move to the couch for more steady fucking, where Hailey cums all over his cock until her eyes roll back and her body twitches. Want to see it? Check out the scene in *Jizzed Teens 4*, available on page 99.

BRAT CHAT

Are you better at pool or sex, Hailey?

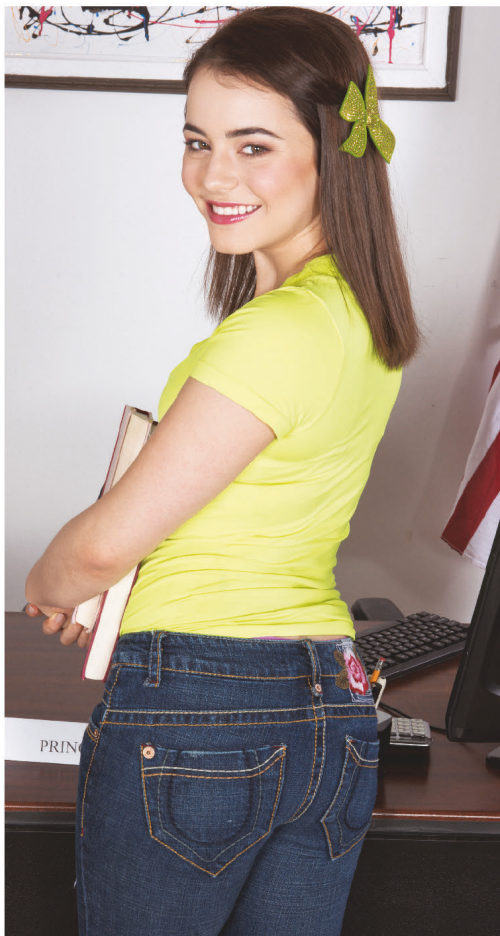

"Definitely sex. I suck at pool, but I play it because it's a great way to meet guys. I like to ask them for tips and then stick my ass out as I'm bending over the pool table. I know for sure a guy is DTF if he leans over me and helps guide my hands to make the shot. And I love it when I can feel their hard-on pressing into me. I let him know I'm interested by running my hand up and down the pole like it's a cock and making lots of eye contact. Then when it's the guy's turn to go, I like to distract him by flashing him my tits or my panties. It worked on this guy. He gave me a huge load."

Do you always get called into the principal's office, Kylie?

"I was always in detention for smoking cigarettes and skipping. One time the principal caught me smoking in the hallway, and he brought me to his office. I kept staring at his crotch, wondering how big his cock was. Turns out it's pretty big. I even gagged on it some, but it felt really good inside my pussy. if she was going to stand over him the way she had the day before, in this outfit? He wasn't about to rush.

"Gonna be hard?"

"Huh? What?" he asked, looking up at her. She pointed.

"Y'know…to fix."

Jay knew better. But he'd already seen that Mrs. Marshall's car was gone. So, why not have a little fun?

"Depends," he said, pulling off a plastic housing.

"On what?" she asked, leaning against the counter.

"On how wet it is when I get up inside her," he said, not missing a beat. He leaned into the open compartment, hiding his smile. Knowing he'd gotten the best of her. He unplugged the drain. Extracted a plastic cap that had gotten stuck. Reset some sensors.

"Probably take a few minutes to–" he began, the sentence left unfinished. Megan was sitting on the counter now, leaning forward.

"What'll take a few minutes?" she asked with a coquettish tone.

Jay couldn't answer. He thought he'd gotten the better of her. *Pfffft.* So much for that assumption. Megan–he'd seen her name on a magnetic frame below her pic on the 'fridge–was braless, and the swell of her boobs hung well below where her Longview High School tee was cut off. The miniskirt, which really didn't qualify as clothing whatsoever, allowed him an unfettered look at her smooth, shaved pussy. No matter where he looked, he couldn't avoid seeing part of her naked.

"To, uh, for the machine, to, uh…"

She extended her leg. Put her toes on the bottom rack. Pushed it in and out while he stared at her bald snatch.

"Awww. You're not done already, are you?"

He wanted to say no. He wanted to reach in and yank out the circuit board. But he was just about finished. The machine beeped, the blinking lights on the panel going dim.

"Well," he said. The kid lifted her foot off the rack. Pressed her sole into his shoulder.

"I won't tell my mom if you won't," she whispered, biting her bottom lip.

She took a deep breath, waiting for his response. It pulled her cutoff up so high he could see her swollen nipples.

He was on his feet, standing between her spread legs, mouth on hers, tasting her cherry lip gloss. Her tongue was in his mouth, her fingernails digging into his shoulders.

His hands found her full breasts, massaging them, thumbs circling her taut areola. She shivered.

"You can suck 'em if you want," she said. "I, I really like that."

He liked it too. He pushed her back, pulling up her shirt and fully exposing her perfect knockers. Her buds were hard under his tongue. She moaned as he worked them over, goosebumps appearing on her skin.

"I wanna cum," she announced, practically begging. Jay could feel the heat coming off her. She had her legs wrapped around him, her ankles crossed behind his back. He slipped his middle finger into her steamy twat, drawing a gasp.

"Ohh. Get me off," she whimpered. "Please. You have no idea how bad I need it. I'm aching for it."

Jay could understand. His cock felt like the countertop–like it was made out of granite. His balls were tight. He didn't know how this would play out, but any minute now, he was going to unfasten his pants and see what she was willing to do. How far she was willing to go.

He slid his finger into her tight hole and started pumping. It was vice tight. It would probably be a struggle to get two digits in here. Jay imagined how amazing it would feel around his cock. Meanwhile the little teen nympho thrust her hips as he fingered her, gushing into his hand.

"*Ungh! Ungh! Ungh! Un–ghhh!*"

Megan climaxed, her tight hole clamping down on his fuck-finger with a vengeance. A slimy puddle of slit-slop stained the counter. Tit filled his mouth as her back arched.

Jay took a quick look around. The kitchen wasn't huge, but it had plenty of windows. The idea of a nosy neighbor peeping through their blinds to see what the ruckus next door was about got him thinking. Megan wasn't exactly quiet when she came.

"Where's your room?" he asked, lifting her off the counter and backing into the hall.

"Why? You wanna fix me in there?" she said playfully, biting the rim of his ear. Her stiff nips pressed into him, her chest heaving post-cum. He loosened his grip just slightly, letting her dripping gash rest against his bulge.

"Down there!" she squealed, pointing, thrusting her crotch into him as he walked.

"Hang on!" he said, laughing. She was a wildcat in his arms, grinding her pussy into his hard-on. It sort of reminded him of a dog humping his leg. Only, it wasn't his leg Megan was going after. He could feel her wetness through his work pants.

"I want your dick!" she blurted, letting go of his neck and forcing her hand under his belt, into his shorts. The move almost toppled them.

"Whoa!" he said, leaning his shoulder into the wall to keep them upright. Megan found his crank, and despite the tight fit, thumbed a drop of pre-jizz that was oozing from the tip. Jay stayed put, enjoying the sensation as she worked his junk. It reminded him of being in high school

himself, with a girl or two who'd been willing to fool around with him on the couch in his parents' basement. Allegedly watching movies they'd rented. The memory fueled the burn between his legs even more.

Megan slid off him, undoing his fly and forcing his pants down, one hand on his balls and the other stroking his cock. The head of his dick was already well-lubed. Her hands were slick with his pre-cum. The teen gripped the base of his thick shaft, squeezed him tight and then slowly worked her way back up. A huge bead of semen filled the tip of his pisshole. She tilted her head up, their eyes locking. Then she dragged his dick across her bottom lip, all the way onto her cheek. Jay's heart thundered.

"Want me to put it in my mouth?" she asked, running her tongue along the same path her hand had just taken. Starting at his nuts, ending up at the tip, where a new droplet of jism was forming.

"Like you can't tell?" he teased back, pressing it against her lip.

"Tell what? That you want me to suck your dick?"

Jay didn't bother answering. Instead, he put his hands on the back of her head, guiding his cock between her lips and finding her eager tongue. Megan hummed around it.

She might've been young, but she knew a thing or three about giving head. Jay wasn't huge, but he had the gift of girth, and her lips formed a perfect cocksucker's O around his prick. Drool ran down his shaft as Megan sucked him off. Noisily, just the way he liked it.

"Take off your top," he told her. "I want to see your tits while you suck my cock."

She tossed the skimpy top aside, perspiration running between her gorgeous boobs.

"I love your dick," she said, breaking to swallow a breath, her snakelike tongue darting out to swab away more of his ball butter. "It's… yummy." It wasn't dirty talk just for the sake of it. You could tell this girl really loved the taste of his cum and cock. Could see it in her eyes, feel it in the way she wrapped her lips around his stiff pole.

Jay pumped her face full of cock, his shaft throbbing as she continued her tongue bath. He'd only finger-banged her, but her mouth felt exactly what he knew her pussy would be like. He couldn't wait to nail this chick. Get her into her room, tear off that miniskirt and find out how good a lay she was. Maybe bend her over and fuck her from behind, so he could play with those firm, round tits. Blow his load on her back. Or, turn her around, blast his wad all over her boobs. Yeah, now that sounded like a plan. Until–

"I love your dick," she said, breaking to swallow a breath, her snakelike tongue darting out to swab away more of his ball butter. "It's…yummy."

"Tell me if you like this," she said, pulling him out of her mouth and taking him in both hands. She held him so that his jones was pointing skyward, her spittle sticky against his abdomen. Then she took his sac in her mouth, sucking on his nuts. He'd been about to take his hands off his pole and lead her into her room, but wove them into her hair instead.

"So?" she said, looking up.

"So?" he said back, unsure.

"So, do you like it?" she prompted, resting her teeth on his balls. Her tongue fluttered against his scrotum.

"Fuck yeah," he told her, nodding. "You have the best fucking mouth I've ever been inside of."

He didn't know why he'd said that. It took him a moment. Then, he knew. Because she did. Even though she hadn't finished, this was one of the best blow jobs he'd ever gotten. While he had a pretty good sampling of ladies with a knack for oral, Megan? She was a phenomenal cocksucker.

"You wanna finish, don't ya'?" she asked, hefting his nads. He hadn't been paying close enough attention, he realized, because he did. Not only that, he was damn close already.

"That what you want?" he said, rubbing his balls across her moist lips. "To finish me off? 'Cause if you're ready, I'm ready."

She filled her mouth with his sac again, making him grip the back of her head even tighter. Her long brown hair flowed over his fingers. Holy shit, did he need to cum. He was on the verge, too. He didn't think she could possibly do anything more to make it any better. Until she did.

"So…do you, like, want to be my first?"

"Your–your first?!" he stammered. *Un-unh*. No way. He'd heard wrong. He was sure of it. A girl as hot as her could have her pick of all the jocks at school. And as good as she was at sucking cock? Her first?

"I've never had a guy cum on my face before," she confessed, her wide eyes looking at him plaintively. "Would you do that for me?"

Jay might have been horny enough to put a hole in a blow-up doll, but above all, he was a gentleman. How could he possibly deny her request?

"You're still going to have to make me," he reminded her.

"Oh, I'm going to," she said, before opening her throat and taking him to the root. "I'm gonna make you jizz all…over…my…face."

She certainly had the tools. Jay put his hands against the wall, fucking Megan's warm, slutty mouth. He was getting really close now, and knew she could tell, the way she was kneading his balls. Tugging on them, then tickling them with her fingernails, alternating between cupping them and squeezing. He knew she could feel them tightening, getting ready to spray. If Jay came early, he was wor-

ried his massive load would gag her to the point of choking.

She worked his cock furiously, the sounds coming out of her throat turning him on like it was his first time. She moaned and cooed and gasped, almost as if she were the one receiving oral. Another memory burned into his brain surfaced. His parents' couch. Jill Robles, on her knees, just like Megan. Jacking him in a similar way. But without the great rack. Or the dirty talk. He'd blasted her face with cum, too. But the load he was about to blow now? It was going to be twice, maybe thrice the size of the one little Jill Robles got.

"C-can taste it," she was saying, her breath hot on his shaft. "L-love the taste of your jizz."

If he didn't pull out, she was going to taste it, all right. A whole lot more of it than she expected. Any second now, he'd have to give her the signal.

"I can tell," she mumbled around his tip.

"Tell me what you want," he grunted. "I want to hear you say it."

"*Mmmmmm*…do it, Jay! Shoot on my face! I wanna wear your jizz!"

Splat! Splat!

Cum boiled out of his prick, a wave of wad coating the right side of her face. It erupted out of him, the force of it reminding him what it was like to be a teenager again.

Megan blinked to avoid an eyeshot, and that was about the only part of her face that wasn't covered. Love lava dripped from the tip of her nose. Her lips were painted white. A trail of it hung from her chin, a strand of it dripping onto her boobs.

And still, he wasn't finished. Her forehead. Her hair. Her whole palm was greasy with it.

"There's so much!" she cried, almost losing her grip. "Yes! Give it fucking all to me!"

She tried to catch his cockhead in her mouth, but everything was so slippery with jizz that she only managed to get a rope of ball cream on her tongue. She swallowed it hungrily and kept on jacking.

By the time he finished, his hands were numb and his knees weak. He hadn't climaxed like this in years. His

breath came in ragged spurts, just like his dick had in the final few seconds before Megan took control, guzzling the last of his salty discharge. Standing over her, he couldn't believe what she looked like. She was literally soaked in jism.

The clock in her room beeped. Jesus…it was noon already.

She struggled to her feet. Cum trickled between her boobs, running to her belly. She looked at herself and let out a girlish giggle.

"Where do you go next?" she asked, wiping a glob of cum from beneath her eye, then putting her finger in her mouth. It came out clean.

Think I already missed one appointment," he said, trying to gather his thoughts. "I…have no idea at this point. Why?"

She ran her tongue across her spooge-spattered lips.

"Mom works until three."

"Oh really?" he asked.

"Soooo," she said, taking hold of his dick. "That wasn't my only first, y'know. I mean, if you want to help with some others…?"

Jay ran his finger through a pool of cum sitting on top of her left boob. She took his finger in her mouth.

"It's just that…you were so good giving me my first facial," she said.

"Three o'clock, eh? I think I can extend the service call a little, or a lot…" Jay replied.

"Good!" she exclaimed, pulling him into her bedroom. "Maybe you can use your tool on…this?"

She placed Jay's hand on her smooth, slippery twat. The finger-banging and cock-sucking really got her going. Her slit was soaked and ready for action. Jay could feel the heat emanating off it. A shiver went down his spine and his balls tightened. This was going to be good.

The door clicked shut.

The pink sheets on her bed were neatly made. Megan took off her top and skirt and finally stood before Jay completely naked. She was a total knockout. Big tits, tiny waist, bubble butt. Hottest girl he'd ever had.

Three hours, he thought. He couldn't be sure, but he felt pretty confident. With a girl like her, he could last that long. He'd damn sure try, at least.

He'd need to make a return call. Or three. He wasn't concerned in the least. He didn't mind doing some work off the clock. 18

Ariana
CUMMING TO HER REFLECTION

How do you like to make yourself cum?

"I mostly just use my hand. I like to rub my clit and finger my hole, and that always does the trick. But today I did something different. I tried this giant dildo! I didn't know what to expect or how I'd even get it inside me."

AIRWALK
AIRWALK

So how did you get it in your pussy?

"I rubbed it on my slit while thinking about fucking in an elevator. I also watched myself in the mirror, which was hot. I got wet enough that I was able to ease it in."

Would you use a big dildo again?

"I might. It was nice to feel my pussy so filled up. But when it comes down to it, I prefer the real thing. Fucking myself isn't the same as a guy fucking me. If I couldn't find a guy then I'd definitely use the dildo."
